

CUMBERLAND COUNTY REPUBLICAN WOMEN'S CLUB

# THE TRUMPET

*We elect Republicans! That's what we do!*

February 2020

## From the President:

The big headlines are the acquittal of President Donald J. Trump!

Tuesday and Wednesday were bad days for Democrats. First, on Tuesday, you have the State of the Union address which was superb! Not one mention of impeachment. The President honored so many wonderful people Tuesday night. Then it ended with Speaker Nancy Pelosi tearing up her copy of the SOTU speech. What a childish and totally classless act. She needs to go.

Then Wednesday, President Trump was acquitted on both counts of impeachment. Democrats were about to explode! BUT they will not stop the impeachment. Senate Majority Leader Mitch McConnell was back in session selecting judges.

Don't forget our Lieutenant Governor Candidates' Forum is this Sunday night at Gates Four Country Club. It starts at 5 PM and there are still some tickets available. You can purchase on-line at [www.ccrwc-nc.org](http://www.ccrwc-nc.org). NO MEETING ON FEBRUARY 11.

If you have not paid your annual dues, please do so as soon as possible. Your support of our club, the State Federation and the National Federation allows us opportunities to help our candidates and our communities. You can pay on-line or download the form and mail a check.

The March 3rd primary is fast approaching. Do you know who you are voting for? Please research your candidates and don't forget to vote!

We all need to meet and hear from these candidates so that we can make an informed decision at the voting poll.

Please see the opposite page for the lieutenant governor candidates.

### **2020 Elections**

The year 2020 is extremely important. The outcome of the elections next year can be monumental or devastating. The Democrats are pushing for a socialist agenda. You only need to look at Venezuela and Cuba to see how well that works! The majority of millennials are pushing for a socialist agenda without even knowing or understanding what it actually means. While they are advocating socialism, they are wearing their brand name clothing, drinking their Starbucks coffee and texting on their iPhones. They would be lost without the perks of capitalism. Our schools and universities are teaching a leftist agenda to our children and grandchildren. Very few are teaching our history and/or civics.

WE MUST re-elect President Trump. WE MUST remove Governor Roy Cooper from Raleigh. WE MUST elect Republican Justices and Republican Judges. WE MUST elect a Republican Council of State. WE MUST elect Republicans to Congress and take back the House and ensure a super majority for the Senate. We need volunteers like we have never needed them before! We need phone bankers, door knockers, people putting signs and handing out flyers for candidates. We need Republicans working at the voting polls.
